CIVIC GOVERNMENT (SCOTLAND) ACT 1982

SPECIAL EVENT PRIVATE HIRE CAR LICENSING

NOTES FOR GUIDANCE

1 A Special Event Private Hire Car is a converted vehicle used as a private hire car for special journeys. In every day language it is a stretched limousine. A Licence is required for the operation of a vehicle as a Special Event Private Hire Car. The licensing of such a vehicle will be dependent upon the Council being satisfied that the vehicle is suitable in size and design for use as a private hire car. The prime consideration of the Council is the safety and comfort of the travelling public.

2 Before being mechanically inspected for licensing as a Special Event Private Hire Car, an appointment must be made at the Taxi Examination Centre for a preliminary inspection of the vehicle to ascertain whether it complies with the requirements laid out below. The owner of the vehicle will attend for this preliminary inspection at a convenient time advised by the Cab Inspector.

Following this preliminary inspection of the vehicle, a report will be prepared by the Cab Inspector and in the light of this, the Council will determine whether the vehicle should be licensed as a Special Event Private Hire Car in which case special conditions of licence will apply.

The number of passengers which the vehicle is licensed to carry will in all cases be subject to the discretion of the Council i.e. no more than eight.

For the avoidance of doubt even though the vehicle may be fitted with a bar there can be no sale or provision of alcohol.

REQUIREMENTS

Only vehicles complying with the following requirements will be considered for licensing as Special Event Private Hire Cars:-
