

MIDLOTHIAN – CORE PATH LIST – <b>MAP 1</b>		
Route No	Distance	
4-3	632m	Connects Danderhall and Newton Village passing through Woolmet Park.
4-8	809m	Connects Danderhall Path Network with on-road cycle route to Edinburgh and Dalkeith.
4-16	1,985m	Cross border route to East Lothian starting at Woodburn in Dalkeith and leading to the Route 1 Cycle Route to Edinburgh and the John Muir Way on the East Lothian coast.

MIDLOTHIAN – CORE PATH LIST – <b>MAP 2</b>		
Route No	Distance	
4-16		See List Map1.
7-1	1,653m	Connects village of Cousland to road links and proposed circular village route.

MIDLOTHIAN – CORE PATH LIST – <b>MAP 3</b>		
Route No	Distance	
		NONE

MIDLOTHIAN – CORE PATH LIST – <b>MAP 4</b>		
Route No	Distance	
2-3	1,013m	Cross border route linking Midlothian to Bonaly in Edinburgh and other routes within Pentland Hills Path Network.
2-4	1,534m	Cross border route linking Midlothian to Harlaw Visitor Centre in the Pentland Hills. Also links to wider path network within Pentland Hills.
2-6	5,683m	Forms part of cross border routes linking Midlothian via Routes 2-3, 2-4 and 2-60 to Bonaly, Harlaw and Balerno in Edinburgh.
36	1,201m	Forms link from Bilston to Boghall Farm Visitor Centre and the wider Pentland Hills Path Network.
39	1,090m	Cross border route starts at Hillend Country Park giving access to hilltop routes and the wider Pentland Hills Path Network.

MIDLOTHIAN – CORE PATH LIST – <b>MAP 4</b> (cont)		
48	719m	Footway into Bush Estate Path Network that connects to Penicuik and forms links to Pentland Hills.
48a	800m	Path within Bush Estate linking to Routes 48 and 47.

MIDLOTHIAN – CORE PATH LIST – <b>MAP 5</b>		
Route No	Distance	
2	829m	Starts by Straiton Retail Park leading into Straiton Pond Nature Reserve and connects with Aspirational Cross Border Foot/Cycle path into Edinburgh and Loanhead North.
5	1,901m	Connects centre of Loanhead with Esk Valley Path at Lasswade and connects with Roslin–Loanhead Foot/Cycle path at south end.
7	1,689m	Links Polton to Lasswade along River North Esk Valley and connects with network of roads links and paths at either end.
7a	781m	Part of Bonnyrigg Path Network linking town to the Esk Valley Path and the proposed wildlife site at Springfield Mill.
8	962m	Connects village of Polton with Roslin–Loanhead Foot/Cycle Path.
10	844m	Starts off as a footway link connecting west side of Loanhead with Bilston Woods, the Esk Valley Path and Roslin-Loanhead Foot/Cycle Path.
11	2181m	Roslin-Loanhead Foot/Cycle Path - a spinal route with paths leading off connecting to Esk Valley Path, Bilston and Polton Village.
11a	1,081m	Aspirational Route Loanhead-Danderhall Foot/Cycle Path - forms a spinal route with paths leading off which connects to Esk Valley Path, Bilston and Polton Village.
17 and 17a and 17b and 17c	1,946m 261m 670m 222m	Link from Bilston and Nivensknowe to Loanhead, passing through Site of Special Scientific Interest. Forms part of Dryden Path Network with links to Roslin-Loanhead Foot/Cycle Path.
19	309m	Paths within Loanhead Park connecting central areas.
20	1550m	Part of route linking Bilston with the Roslin-Loanhead Foot/Cycle Path, leading to Esk Valley Path.

MIDLOTHIAN – CORE PATH LIST – <b>MAP 5</b> (cont)		
Route No	Distance	
23	419m	Part of route linking Bilston with the Roslin-Loanhead Foot/Cycle Path and Esk Valley Path and with circular routes between Roslin and Loanhead.
27	1,773m	Part of route linking north west side of Roslin into Dryden Path Network and Roslin-Loanhead Foot/Cycle Path.
29	856m	Continuation of disused rail path from Loanhead with link to Route 27.
36		See List Map 4.
41	1,508m	Connects the Loanhead-Bilston area with A703 trunk road footway, which links to Route 36 and the Pentland Hills Country Park.
42	410m	Connects Bilston/Loanhead area with A703 footway, which links to paths within wider network forming routes to Pentland Hills Country Park.
47a	65m	Foot/Cycle path adjoining B road through the Pentland Science Park.
3-5	765m	Connects Rosewell to Tyne-Esk Horse Trail and roads links. Together with Route 3-6 forms a circular route from the village.
6-27 and 6-27a	1,210m 650m	Part of Bonnyrigg Path Network. Connects Polton to Esk Valley Path using Route 7a, and forms local link leading to Penicuik-Dalkeith Foot/Cycle path.
6-35		See List Map 6.
6.42	14,240m (in total)	Part of Penicuik – Dalkeith Foot/Cycle path, which is a spinal route linking major settlements. Multi-use across Midlothian.

MIDLOTHIAN – CORE PATH LIST – <b>MAP 6</b>		
Route No	Distance	
4-16		See List Map 1.
4-25	830m	Circular path around Ironmills Park with links to Penicuik-Dalkeith Foot/Cycle Path and with Dalkeith Town Centre.

MIDLOTHIAN – CORE PATH LIST – <b>MAP 6</b> (cont)		
4-34 and 4-52 and 6-42		Penicuik-Dalkeith Foot/Cycle Path - a spinal route linking major settlements across Midlothian. See List Route 6-42 Map 5 for length.
4-34a	141m	Spur off Penicuik-Dalkeith Foot/Cycle Path, leading into Eskbank.
4-35 4-35a	540m 538m	Connects Penicuik-Dalkeith Foot/Cycle Path to Ironmills Park and Foot/Cycle Path to Sheriffhall.
4-36	439m	Spur off Penicuik-Dalkeith Foot/Cycle Path leading to Ironmills Park and Dalkeith Town Centre.
4-38	488m	Safe Route to School which connects to River South Esk path via Route 4-39.
4-39	672m	Connects Dalkeith Town Centre to River South Esk Valley Path Network.
4-44	1,676m	Connects Newbattle to Dalkeith along River South Esk Valley Path.
4-47	1,068m	From Lothian Bridge to Newbattle Bridge, along west side of River South Esk. To the north, connects with paths around Newbattle Abbey, and to the south, connects to paths/ road links leading to Cockpen.
4-48	1,400m	As per Route 4-47 on east side of River South Esk.
4-50	1159m	Connects Eskbank with Newbattle Abbey Housing Estate.
4-52a	1847m	Aspirational Route for Penicuik-Dalkeith Foot/Cycle Path, once Waverly Rail Line completed.
4-52b	225m	Spur off Penicuik-Dalkeith Foot/Cycleway to South Esk Valley Path Network, via B road pavement.
5-3 and 5-4	420m 600m	Connects Easthouses Industrial Estate with path network around Kippilaw, which leads via road link to Whitehill Village.
5-12 and 5-12a	800m 507m	Connects Route 4.48 along River South Esk with Newbattle Secondary School and Easthouses/ Newtongrange.
5-13 and 5-14	1,094m 900m	Connects Easthouses Playing Fields and Newbattle High School with Mayfield Park.
5-17	470m	Off road link between Mayfield and Newtongrange

MIDLOTHIAN – CORE PATH LIST – <b>MAP 6</b> (cont)		
Route No	Distance	
5-18	520m	Connects West Newtongrange to road link leading to Town Centre and Newtongrange Park.
5-19	773m	Internal path network within Newtongrange Park, connecting with Newtongrange Primary School.
5-30	590m	Connects Mayfield Medical Centre with west side of Blackcot housing estate and network of road links,/other paths leading to Camp Wood and wider countryside.
6-0	1,092m	Foot/Cycleway running alongside A772 connecting A772/ B6392 roundabout with Midlothian and Edinburgh boundary.
6-4	1,026m	East end connects with 400 metres of B road footway leading to start of Penicuik-Dalkeith Foot/Cycleway. West end connects with path running along River North Esk through Melville Castle Estate.
6-8	1,050m	Connects Melville Castle Estate with Lasswade and other path/Foot-Cycleway leading to Butterfly World and Edinburgh boundary.
6-14	574m	Connects centre of Lasswade with Polton Village along Esk Valley Path.
6-15	209m	Connects Bonnyrigg with Lasswade village centre.
6-16	1039m	Connect A768 with Penicuik-Dalkeith Foot/Cycleway via Broomieknow Golf Course.
6-18	1,246m	Connects Bonnyrigg Town Centre with Penicuik-Dalkeith Foot/Cycleway.
6-22	1,050m	Internal path network within Bonnyrigg King George V Park . Forms a number of off -road through routes including a Safe Route to School.
6-27 and 6-27a		See List Map 5.
6.31	154m	Connects Bonnyrigg to Poltonhall via playing fields.
6-35	2,107m	Connects Penicuik-Dalkeith Foot/Cycleway with Upper Dalhousie Farm and with network of road links and other paths to wider countryside.
8-1	1175m	Connects Lothian Bridge with road link and network of paths around Dalhousie Castle.
8-18a	1119m	Connects Butlerfield Housing/Industrial Estate with short road link leading to Gore Glen Woodland Park.

MIDLOTHIAN – CORE PATH LIST – <b>MAP 7</b>		
Route No	Distance	
4-32	471m	From Fordel Caravan Site to Whitehill Farm connecting with road link to the south and Core Path to the north leading to Cousland.
5-10 and 5-11	400m 413m	Connects network of paths around Lawfield Farm with road link by D’Arcy Wood to Mayfield.
5.24	522m	Connects Blackcot housing estate, Mayfield, with Blinkbonny network of paths across Camp Wood.
7-1		See List Map 2.
7-4	1532m	Links Fordel Caravan Site with road link leading to Cousland Village.
7-8	1,291m	Connects road link at east end of Mayfield Housing Estate next to D’Arcy House with Edgehead Village.
7-18	1,154m	Connects Pathhead Village via aspirational link to Vogrie Country Park.
7-18a	284m	Aspirational link connecting Route 7.18 from Pathhead to Vogrie Country Park.
7-21	962m	Connects Ford Village with Dewarton Village.
7-21a	407m	Connects Ford Village with Stair Arms Hotel.
7-22	634m	Connects Dewarton Village with road link leading to Sauchenside and Southside Farm.
7-24 and 7-24a	2,847m	Circular path around Vogrie Country Park connecting with south end of Dewarton Village.
7-27 and 7-27a and 7-40	1,146m 1,043m 610m	Connects Vogrie Country Park with other path/road link to Crichton Village and Route 7-18 to Pathhead and Ford.
7-28	2,066m	Connects Southside with Moss Cott and network of paths through Camp Wood/Blinkbonny on south side of Mayfield. Part of network which connects Newlandrig with Edgehead, Gorebridge and Mayfield.
7-29	1,594m	Part of route which links Mayfield and Gorebridge with Vogrie Country Park via Newlandrig Village.
7-30	1,736m	Route over Camp Woods linking Gorebridge and Mayfield to Vogrie Country Park via Newlandrig Village.

MIDLOTHIAN – CORE PATH LIST – <b>MAP 8</b>

		NONE

MIDLOTHIAN – CORE PATH LIST – <b>MAP 9 and 9A</b>		
Route No	Distance	
2-6		See List Map 4
2-50	4,734m	Starts at A702 north of Eight Mile Burn, forming links with Pentland Hills Path Network eventually connecting with Edinburgh.
2-60	2,024m	Connects network of paths at southern end of Loganlea Reservoir with Pentland Hills Path Network and Edinburgh.
2-62 and 2-23	912m 1,754m	Starts at A702 south of Coates Farm, leading to southern end of Loganlea Reservoir and Pentland Hills Path Network and Edinburgh.

MIDLOTHIAN – CORE PATH LIST – <b>MAP 10</b>		
Route No	Distance	
2-6		See List Map 4.
2-11	864m	Connects point south of Flotterstone Bridge with Glencorse House.
2-13	708m	Forms a link between Penicuik, Bush Estate and the wider countryside via Route 2.14.
2-14a	391m	Connects Bush Estate with Penicuik and the wider countryside in conjunction with Route 2-14.
2-23		See List Map 9.
2-24	684m	Connects Penicuik Greenlaw Mains with Beeslack, forming a link between other paths leading to the Penicuik-Dalkeith Foot/Cycleway and wider countryside via Route 2-27.
2-26 and 2-42		Part of Penicuik-Dalkeith Foot/Cycleway. See List Route 6-42 Map 5 for length.
2-31b		See List Map 11.

MIDLOTHIAN – CORE PATH LIST – <b>MAP 10</b> (cont)		
Route No	Distance	
2-33 and 2-33a	608m 694m	Connects Penicuik Cornbank and Deanburn/Cuiken Housing Estates with wider countryside, Penicuik Estate and Pentland Hills via Route 2-34.
2-34 and 2-34a	452m 526m	Connects Penicuik Cornbank Housing Estate to network of paths around Coates Farm and the wider countryside.
2-37	2,110m	Safe Route to School connecting Penicuik Cornbank and Deanburn/Cuiken Housing Estates.
2-39 and 2-39a	842m 390m	Connects Penicuik Town Centre with Penicuik High School, leading to network of paths, Penicuik Estate and wider countryside.
2-41	467m	Connects south end of Penicuik with Penicuik Estate. Along with aspirational Core Path across River North Esk, will provide a continuous Core Path through Penicuik Estate.
2-44	3,158m	Route through Penicuik Estate, with links to path networks into Penicuik Town Centre at south and west ends of route.

MIDLOTHIAN – CORE PATH LIST – <b>MAP 11</b>		
Route No	Distance	
2-26 and 34		Both these sections form part of the spinal route through Midlothian – ie. Penicuik-Dalkeith Foot/Cycleway. See description Route 6-42 map 5 for length.
2-31, 2-31a and 2-31b and 34a	9,090m (in total)	An aspirational Core Path – Pomathorn Foot/Cycleway, proposed to run from Roslin to Peebles, connecting with Penicuik-Dalkeith Foot/Cycleway at Roslin Glen.
2-31c	220m	Connects quiet road leading to Penicuik-Dalkeith Foot/Cycleway with other path to Rosslynlea Hospital.
32	1,000m	Connects Roslin Glen Country Park and Roslin area path network with the Penicuik-Dalkeith Foot/Cycleway.
32a	360m	Connects Penicuik-Dalkeith Foot/Cycleway with quiet road leading to Roslynlea Hospital
33	1,300m	Forms a network of paths in Roslin Glen Country Park.
33a	520m	A link between the Penicuik-Dalkeith Foot/Cycleway and car park on the B7003, between Rosewell and Roslin.
3-6 and 3-6a	1758m 763m	Connects Rosewell Village with wider countryside where there are numerous options for circular routes. When used in conjunction with pavement, forms part of circular route around Rosewell Village, which connects to path network in wider countryside.

MIDLOTHIAN – CORE PATH LIST – <b>MAP 11</b> (cont)		
3-7	1,048m	When used in conjunction with pavement, forms part of circular route around Rosewell Village, which connects to path network in wider countryside.
3-10 and 3-10a	1,051m 676m	Provides link to the network of Core Paths from Rosewell Village and to road links around Thornton Farm Disabled Riding School to the wider countryside.
3-32		See List Map 12.

MIDLOTHIAN – CORE PATH LIST - <b>MAP 12</b>		
Route No	Distance	
3-6		See List Map 11.
3-32	1,077m	Connects Rosewell Village with Parduvine, and with network of paths in wider countryside and Thornton Farm Disabled Riding School.
7-33 and 7-33a	618m 946m	Connects Greenhall Community Centre and St Andrews Primary School to Common Wood.
7-35	961m	Connects with Route 7-32 to form a scenic route across Blinkbonny and Camp Wood to Mayfield from Gorebridge.
7-36	296m	Connects Gorebridge Housing Estate via a short link of paved B road to Route 7-35.
8-18a		See List Map 6.
8-18b	887m	Forms spinal route through Gore Glen Woodland Park which links to Gorebridge and the South Esk Valley Path.
8-22a	827m	Connects Arniston Housing Estate with Shanks Bridge and southern end of Gore Glen Country Park, eventually leading to South Esk Valley Path.
8-23	774m	Connects Gorebridge Housing Estate with Route 8-22a at the southern end of Gore Glen Country Park.
8-25 and 8-26	3,295m 820m	Forms a main route along the banks of the River South Esk through the Arniston Estate to Temple Village.
8-36	1,951m	Circular route from north to south ends of Temple village, along edge of woodlands and fields.

MIDLOTHIAN – CORE PATH LIST – <b>MAP 13</b>		
Route No	Distance	
8-39	500m	Connects aspirational link 8-39a with Catcune/Harveston Farm.
8-39a	1,407m	Aspirational Core Path from Gorebridge along Gore Water to Borthwick Castle and other path networks. (Completion as a Core Path depends on restoration of bridge across Gore Water at Haughhead).
8-43	628m	Connects Halflaw Kiln with road links to Tynehead Village and Crichton Mains.
8-43a	1,028m	Connects Halflaw Kiln with other paths leading to Borthwick Castle and Currie Wood.
