Item	Question	Response
1	Name (Mr/Mrs/Ms)	
2	Address	
3	Postcode	
4	Contact phone number	
5	Are you a blue badge holder living at the address the badge is registered to? If "Yes" please provide the number and expiry date of your badge.	Yes / No Number: Expiry Date:
6	Is there a vehicle registered at this address? If "Yes" please provide the registration number.	Yes / No
7	Do you have a garage or driveway? If yes, is it accessible? If not explain why.	Yes / No Yes / No
8	Do you give permission to mount a sign on your property (fence, wall, gate etc)? <i>Sign posts often reduce the width of the footway and can cause obstructions, particularly to visually impaired people. It is important that we minimise their use.</i>	Yes / No

Before the Council can agree to provide a disabled person's parking place, an inspector will visit your property to check that it is physically possible to fit a space to the dimensions specified in 'Traffic Signs Regulations and General Directions' without endangering other road users. If you have an inaccessible driveway, the inspector will also make an assessment of this.

Once in place, the space will be available to use by any blue badge holder. You will have no priority over any such person.
