MIDLOTHIAN RANGER SERVICE

Working with School Groups

We organise and lead free curriculum based education and outdoor conservation activities for schools and groups. We teach and inspire pupils about nature, their local environment and the world around them.

Self Led Activities

We have 3 resource boxes which are free to borrow. These allow teachers to lead environmental activities themselves. They cover pond and river dipping, woodlands and mini-beasts, environmental games, and include bug boxes, nets, trays, ID keys books etc.

Volunteering Opportunities

Vogrie Volunteers - Meet on the last Monday of every month at Vogrie from 10am to 3pm. This group carries out a variety of conservation and maintenance tasks throughout Vogrie estate.

Midlothian Paths Team - Meet on the first Tuesday of every month at various locations across Midlothian from 10am to 3pm. This group improves and creates paths and access opportunities across the whole county. Penicuik to Dalkeith Walkway Volunteers - Meet on the third Tuesday of every month from 10am-3pm. The group improves the 7 miles of former railway line, including access routes to and from it.

Straiton Pond Volunteers - Meet one Saturday every month (date is often arranged according to volunteer availability) from 10am to 1pm. This group carries out a variety of conservation and maintenance tasks at Straiton Pond Local Nature Reserve.

If you would like any more information about any of these groups then please contact us on **01875 821990** or email **midlothianrangerservice@midlothian.gov.uk**.
