

Progress in delivery of strategic outcomes

Progress in delivery of strategic outcomes:

Committed to the creation of a World-Class Education system through excellence and equity, the report for this quarter focuses on outcomes for Quarter 1 for the education service. The theme for 2018/19 is *Adopting a One Size fits one approach*.

In session 2018/19 we have set 3 main strategic priorities under the following broad heading: Raising Attainment and Achievement; Learning Provision and Leadership.

Raising the attainment and Achievement: (NIF: Performance Information and School Improvement)

- 2% increase CfE in Literacy and Numeracy by the end of P1, P4, P7 and S3 in order to ensure CfE levels are above the national average
- PEF: Interrupting the cycle of poverty: Further 5% increase in number of children from SIMD 1 and 2 achieving the expected CfE level in Literacy and Numeracy by the end of P1, P4, P7 and S3
- Increase % National Qualifications as per individual school targets
- Secure a three year pattern of 96% Sustained Positive Destinations

2. Learning Provision

QI 2.2 and 2.7 Curriculum as a hook – the power of partnership (NIF: Assessment of Children’s Progress)

. BGE: Taking a closer look at QI 2.7 - how can enhanced partnerships help us to deliver a tailor made curriculum that acts as a hook to improve engagement and participation resulting in improved outcomes for all learners.

. Senior Phase: Taking a closer look at QI 2.7: how can enhanced partnerships help us to deliver a tailor made curriculum that acts as a hook to improve engagement and participation resulting in improved attendance, attainment, wider achievements and sustained positive destinations.

2.3 Learning, Teaching and Assessment

- . To share best practice in moderation, tracking and assessment of progress through the BGE
- . To continue to implement Visible Learning including Impact Cycle Training
- . To share best practice in learning and teaching

QI 3.1 Ensuring wellbeing, equity and inclusion

- . Monitor the ongoing implementation of the Inclusion Review
- . Taking a closer look at Mental Health and Wellbeing
- . Child Health and Wellbeing PEF Project (3 target communities)
- . Further improve attendance and reduce exclusions

QI 1.3 Leadership of change and 1.1 Self-evaluation for self-improvement (NIF: School Leadership and Teacher Professionalism)

We-Collaborate

. Creating a Collaborative Leadership Culture at all Levels by continuing to grow our ASGs into Learning Communities and building the professional networks

. As collaboration is a key focus within impact focus of VL programme we will run a two year programme and look to build in sustainability.

1.1 Self Evaluation for self-improvement

Continuing to build independence in self-evaluation for self-improvement through

- Reviews – theme or other
- Inspections- Learning communities
- HMle inspections
- Toolkit evaluation
- Challenging conversations and support
- Shared practice forums – self-evaluation – cluster or trio

Update on progress during Q1:

Raising the attainment and Achievement: (NIF: Performance Information and School Improvement)

Following the implementation of 3 curriculum for excellence tracking periods last session, in June the CfE levels were collected from each of the schools for P1, P4, P7 and S3. At this stage these are showing significant improvement on the previous year across most measures. The final levels will be published by the Scottish Government in December 2018 and will be included in the Q3 report.

The National qualifications results have not yet been released and these will be included in the Q2 report and there will also be a separate Attainment report presented to Council in December.

Sustained positive destinations were published in June 2018 with 94.4% of pupils now achieving a sustained positive destination which is up 10 percentage points since 2010/11 and up 1.4 percentage points on the previous year. Midlothian is now above the National average. LLE, Education and Partners have supported young people to achieve positive destinations in the following ways:

- . Activity Agreements and one to one support.
- . Using Data Hub information to target resources
- . Partnership working with Edinburgh College
- . Increasing vocational pathways in the senior phase and post school.
- . Strengthening school/college partnerships
- . Improving young people's employability skills
- . Expanding the work experience offers
- . Introducing foundation apprenticeships in schools
- . Promoting pathways in science, technology, engineering and maths
- . Increasing employer engagement through business breakfasts
- . Partnership working the Regional DYW Group for example our excellent Live Job Fairs 400 live vacancies from 27 employers and over 300 young people attended.
- . 156 Duke of Edinburgh Awards were gained an increase of 42%, where young people's volunteering contribution equated to 5,580 worth £22,599.
- . Strengthening school-business partnerships
- . Expanding use of the online market place and guarantee for those in Midlothian. 200 Midlothian young people have signed for job alerts

Learning Provision (QI 3.2 The Curriculum, QI 2.3 Learning, Teaching and Assessment) and QI 3.1 Ensuring wellbeing, equity and inclusion.

QI 3.2 The Curriculum: Developing enhanced partnership working has been the focus of our work to open the new Centre of Excellence in Digital at the new Newbattle which opened in June 2018 in partnership with the university of Edinburgh. In June, Midlothian also launched the new Centre for Innovation and Research in Learning in partnership

with the GTCs and the University of Edinburgh. We are pleased to confirm that two internationally renowned leaders have agreed to be the Patrons of the new Centre: Dr Avis Glaze and Sir John Jones.

QI 2.3 Learning, teaching and assessment: We are continuing to implement Visible learning and the Impact Cycle training will be ongoing in 2018/19 with results of the impact research feeding into our new Innovation Centre. The new centre will also assist Midlothian in sharing best practice within and outwith the local authority

Key Tools – A Collaborative Impact approach:

Utilising the Visible Learning Collaborative impact cycle training, the programme for this year will take a closer look at year-on year progress.

We will evaluate practitioner enquiry and reflective practice and how this feeds into New Centre for Research and innovation in learning

QI 3.1 Ensuring wellbeing, equity and inclusion. In Q1 Exclusions fell by 10 incidents in Secondary and increased by 6 incidents in Primary. Attendance levels have improved by 0.6% in Secondary and declined by 0.9% in Primary, therefore in August we will launch the new Attendance programme jointly with East Lothian in order to focus on both improving attendance and reducing Exclusions

Leadership:

In August the next set of Headteacher, DHT and PT leadership programmes will commence, we will also increase the number of focussed school reviews and shared practice forums.

Challenges and Risks

The ongoing implementation of the Regional Improvement Collaboratives.

Implementation of the PEF (Pupil Equity Fund), funds have been directed to Schools directly and we need to ensure that they are being used to close the equity gap.

Change to the National 5 qualifications: removal of internal assessments. There is a risk to level 5 S4 qualifications this year.

Ensuring good financial management and real-time information to ensure spending is accurately forecast and monitored within the year.

Full implementation of the new Education (Scotland) Act 2015 including preparing primary schools for the full implementation of 25hrs and Gaelic provision; and the requirements of the NIF as new reporting measures come into force.

Rate of demographic growth particularly in the early years and primary school rolls

Following the outcome of the recent Judicial Review, managing the legislative status of Named Person which was due to come into force on 31 August 2016.

Recruitment of primary teachers remains a risk. Although we have secured an additional pool of permanent supply, a number of those staff are in a much more positive place with staffing than in the past, this will continue to be flagged as a risk as we move into next year.

Ongoing work to prepare for the implementation of 1140 hours by 2020: One of the major challenges of the expansion will be the recruitment and training of sufficient staff, by the Council and also across our partner providers, particularly as all other local authorities will be doing the same at the same time.

The deletion of the vocational budget of over £150,000 and the reduction in LLE staffing poses a challenging in support the same level of activities across work with young people, families, adults and older people.

Suggested changes to priorities in Service Plan

Q1 17/18:

E.S.02.01 - Change action to "Learning Provision:

(a) Developing the Curriculum as a hook- the power of learning pathways

(b) Moderation, tracking and assessment of progress through the Broad General Education (BGE): "

E.S.02.01b - Change indicator to "Visible learning should continue to underpin the development of assessment capable learners; and to support teachers to Know thy impact through the impact cycle training"

E.S.02.01c - Change indicator to "I-Collaborate: to implement year 2 of the School Leadership Programme to support the delivery of the new Education (Scotland) Act; NIF; GIRFEC; Named Person; and HGIOS 4"

E.S.02.01d - Change indicator to "Creating a collaborative leadership culture at all levels by continuing to grow our ASGs into Learning Communities in order to continue to build the self-improving system updating resources in line with HGIOS 4 and the new NIF. In session 2017/18 we will also implement a series of personal leadership reflection tools."

Service Priority Actions

Code	Priority	Action	Due Date	Icon	Progress	Comment & Planned Improvement Action
E.P.1.1	01. Inequalities in learning outcomes have reduced	To build excellence by raising attainment overall	31-Mar-2019		25%	Q1 18/19: On Target 2016 /17 results show an average 6% increase in CfE (Curriculum for Excellence) since 2015/16. Attainment visits with all Schools have been undertaken in session 2017-18 and this involves robust tracking and monitoring to improve outcomes. Current predicted returns are showing a substantial overall improvement in CfE levels for session 2017-18.
E.P.1.2		To close the gap between the least and the most disadvantaged	31-Mar-2019		25%	Q1 18/19: On Target Information from Secondary analysis and CfE (Curriculum for Excellence) show the gap between the least and the most disadvantaged from 15/16 to 16/17 has reduced. SIMD information is available for school data analysis and is informing the ongoing attainment visits across Primary and Secondary schools. The Authorities School planning guidance is based on our three year strategic plan that focuses on the National Improvement framework priorities including closing the gap between the least and most disadvantaged and therefore there is alignment between national and local targets to close this gap. Schools report on these outcomes through their Standard and Quality reports and the Scottish Government collects this information to inform their annual National Improvement Framework (NIF) report.
E.P.2.1	02. Engaged and supported workforce	Learning Teaching and Assessment	31-Mar-2019		25%	Q1 18/19: On Target A comprehensive Leadership Programme continues to be delivered this session, focusing on the key inspection QIs; 1.1 (Self-Evaluation for Self-Improvement), 1.3 (Leadership of Change), 2.3 (Learning Teaching and Assessment) and 3.2 (Raising Attainment and Achievement), plus the NIF drivers Teacher Professionalism and School Leadership. This programme will be delivered to Head Teachers, Depute Head Teachers and Principal Teachers. This will supported and develop their leadership capacity. All schools will continue to participate in moderation activities in literacy and numeracy, and teaching staff in all primary schools have been trained in the use of Holistic Assessment. They will now be required to plan these into blocks of teaching, and moderate their use at school, ASG and authority level. Schools' tracking systems will continue to be discussed and developed through an increased number of QI Reviews, and set tracking periods will continue to support Head Teachers to have regular, challenging discussions with practitioners about raising attainment and making robust judgements about achievement of a

Code	Priority	Action	Due Date	Icon	Progress	Comment & Planned Improvement Action
						level. A three year professional learning programme through Osiris Education is planned across 2017-2020.
E.P.3.1	03. Children in their early years and their families are being supported to be healthy, to learn and to be resilient	To increase the availability of Early Learning and Child Care (ELCC) for 2 year olds to meet the requirements of the Children and Young People (Scotland) Act from August 2015.	31-Mar-2019		20%	Q1 18/19: Off Target Lack of increase can be partially attributed to lack of information on location of eligible families not being available from DWP. An improvement project will start looking at ways of improving the identification of eligible families using DWP information.
E.P.4.1	04. Children and young people are supported to be healthy, happy and reach their potential	Raise the educational attainment and achievement of children and young people, including improving the numbers going on to positive destinations after leaving school	31-Mar-2019		25%	Q1 18/19: On Target The 2017 School leaver destination measure showed Midlothian sustaining strong rates above their Virtual, National and Regional collaborative comparators. The Annual Participation Measure showed that of the 3,887 16-19 year olds in Midlothian 93.6% were in education, employment or training and personal development. This is 4.9% more young adults than last year who have positively secured their future either through sustaining employment, enrolled in further or higher education, training or secured another positive destination such as volunteering.
