PURPOSE OF DIRECTORY

This directory has been produced as a result of a partnership work and consultation with the local community during the Neighbourhood Planning process. It is not intended to be a definitive document but rather to complement other directories or information provided by partner organisations. Information includes that from: Cousland, Crichton, Dewartown, Edgehead, Fala, Ford, Oxenfoord, and Pathhead.

Suggestions for additional information are welcome. Please see last page for Midlothian Council Communities Team contact information if you wish to comment or make suggestions.

MAP OF TYNEWATER COMMUNITY COUNCIL AREA

TRAVEL AND TRANSPORT – BUS AND COMMUNITY TRANSPORT

The main A68 road through Tynewater area is served on seven days a week by **Borders Buses** with its bus services 51 Jedburgh-Edinburgh and 52 Kelso-Edinburgh. Bus timetable booklets are available in all Midlothian libraries, at Pathhead Medical Centre and the Midlothian Community Hospital. You can also access the timetables at the website shown below.

BORDERS BUSES
Service Numbers: 51, 52
☎ 01896 754350
Email: info@bordersbuses.co.uk
Website: www.bordersbuses.co.uk

'Ring & Go' schemes cover two parts of Tynewater. To use the 'Ring & Go' service, residents should apply using a 'Ring & Go' application form available from all Midlothian libraries and main council offices, the Pathhead Medical Centre and Midlothian Community Hospital. Additionally, drivers on the Swift Taxis Ring & Go service usually carry blank forms. Completed forms should be sent to the Travel Permits and Passes Team at Midlothian House in Dalkeith – details on the application form – along with one colour passport-style photograph.

Pathhead Ring & Go is operated by Swift Taxis under contract to Midlothian Council.

These Pathhead taxi journeys run at specific times and fill in the gaps within the 51/52 bus timetable. Journeys can include Fala, Fala Dam, and Dewartown that are not covered by the bus service. Pathhead journeys can also start/finish at Dalkeith Campus. Bookings can be made on the phone using the following contact – ☎ 0131 660 1031.

'Cousland Ring & Go' is also operated by Swift Taxis of Newtongrange on ☎ 0131 660 1031. The schedule is different from that in Pathhead. There is no core bus service to Cousland, so the whole public transport link is provided by 'Ring & Go' which runs seven days a week from 0700 in the morning to 2300 in the evening. The Cousland scheme carries people to/from Dalkeith, but also to/from Pathhead in recognition of a longstanding link between the two communities. For example, many Cousland residents register with the Pathhead Medical Centre.

For both Pathhead and Cousland 'Ring & Go' services, the passenger pays a flat fare based on an equivalent bus fare, and Midlothian Council pays the balance up to the agreed contract price for the taxi journey.

HcL provides both a Dial-A-Bus (DAB) service and a Dial-A-Ride (DAR) service. DAB provides links from Midlothian communities to shopping centres at fixed fares and DAR offers a bespoke door-to-door service not unlike a taxi (charged upon time and distance). Bookings are made via HcL on either ☎ 0131 447 1718 (DAB) or ☎ 0131 447 9949 (DAR).

If it is the first time you have used either DAB or DAR service, remember to ask HcL about the special first timer discounts.

MINI-BUS

- **Mayfield and Easthouses Development Trust** have a mini bus that can be hired by community groups. Membership (£12 per year) must be paid and drivers must have a D1 license.

LOTHIAN COMMUNITY TRANSPORT SERVICES

- Minibuses accessible to wheelchair users can be hired with an **LCTS** driver. A self-drive service, open to drivers with a MIDAS permit, is also offered by LCTS out of their Newmills Road depot in Dalkeith.

CONCESSIONARY TRAVEL

- A concessionary Scotland-wide free bus travel scheme was introduced in 2006. The scheme gives all permanent residents in Scotland free bus travel on and after their 60th birthday. Application forms are available in all Midlothian libraries and main Council offices, at Pathhead Medical Centre and Midlothian Community Hospital. Once completed, the form must be handed in to any Midlothian library. The applicant needs to do this in person - part of the validation process is to verify that the photo supplied is a true likeness of the applicant, and the librarian cannot do this if you send someone else with the form. There is no charge for this concessionary bus pass.
- The concessionary Scotland-wide free travel scheme also applies to disabled people and those entitled to free travel for a companion. There is a separate application form with full details of who is eligible. Blank forms are available at all Midlothian libraries and main offices, at Pathhead Medical Centre and Midlothian Community Hospital. Completed forms (along with a passport-style colour photo and supporting documents) must be taken by the applicant in person to any Midlothian library. There is no charge for this concessionary bus pass.
- A Young Scot card offers discounted travel for young people from their 16th birthday to the day before their 19th birthday. In Midlothian schools, the Young Scot card is offered to all on arrival at their High School. It is used in Midlothian schools for cashless catering and so most youngsters will have their Young Scot card from age 11 or 12. Most bus operators offer a commercial child fare from 5 to 15, and the Young Scot discount in effect extends this by a further three years. The discount is one-third off rounded to the nearest 5p below, so if the adult fare is £1, the Young Scot cardholder pays 65p [66.6p rounded down to 65p]. Midlothian children who attend schools outwith Midlothian can arrange their Young Scot card at any Midlothian library. For those in voluntary work, the Young Scot travel discount can be extended to the day before the cardholder's 26th birthday.
- Queries about the concessionary schemes can be directed to any Midlothian library, or to the Travel Permits and Passes Team at Midlothian House on ☎ 0131 561 5455 or **Email:** ptu@midlothian.gov.uk

Seat Reservations are free when a ticket is purchased for ScotRail services and are available up to 12 weeks in advance. Tickets can be purchased in advance at www.scotrail.co.uk or by calling ☎ 0344 811 0141 between 0700 and 2200, 7 days a week. All major credit/debit cards are accepted.

Free travel on the Borders' Railway service [Edinburgh-Tweedbank] is available to Saltire Card Holders with an 'eye' symbol (issued via the Scottish Blind Scheme) as part of a Scotland-wide scheme that also includes Edinburgh Trams and most coastal ferries. There is no free train, tram, or ferry travel for Saltire Card Holders without an 'eye' symbol

Holders of a valid Midlothian Taxicard enjoy free train travel within the Edinburgh and three Lothians areas – on the Borders' Railway this means between Edinburgh and Gorebridge, as the scheme does not extend into the Scottish Borders. The Taxicard scheme has been closed to new entrants since April 2015, but those already members by midnight on 31 March 2015 continue to benefit.

Discounted Travel is available by purchasing any one of a series of railcards made available by the train operator such as the Senior Railcard or Scottish Youth Railcard. Further details are available via the ScotRail website on www.scotrail.co.uk
