

Estate Walkabout Report

November 2020

Woodburn

In Attendance:

Midlothian Council Robert Docherty - Housing Officer

Hazel Thomson - Tenant Participation Officer

This walkabout took place on Wednesday 18 November 2020. This walkabout was advertised by sending out a flyer to tenants in this estate by post. All households were sent details of this future event and asked if they had any concerns to contact by email or telephone.

No email or telephone call was received before this walkabout and we went around this estate in very poor weather conditions.

Thornybank Terrace

In this street area there is a small wooden storage area near the bin area which has a few wooden slats missing. Inside this storage area there has been items dumped inside.

Action: Reported to Contact Centre to get items uplifted

Thornybank Square

Unfortunately on the day of the walkabout we couldn't gain access into any of the flats in this estate to check stairwells. The general outside area was well maintained and there was no road faults to report. In all bin storage areas in this estate there was household items dumped and all have been reported.

Action: Reported to Contact Centre to get items uplifted

Thornybank Grove

This area was well maintained on the day of the walkabout. There was a small damaged tree which needs attention in the grass area in this street. Bin storage area had many items dumped.

Action: Reported damaged tree and items dumped to Contact Centre

The next Walkabout is on 16 December in Rosewell
