To whom it may concern,

On behalf of Midlothian After School Clubs Network I am happy to help support and endorse BASC's application for community asset transfer of Poltonhall Bowling Green Pavilion.

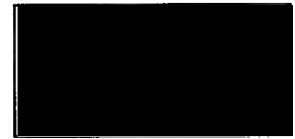

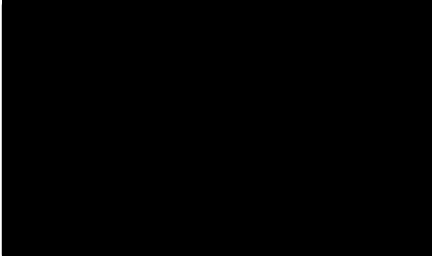

I have worked with the organisation for the past twenty five years and know the history of Anne and her team taking the organisation from an afternoon Friday session to a full time childcare provider for 400 families in Bonnyrigg.

I am confident that the Team of BASC will operate and develop the pavilion to continue to support the community of Bonnyrigg.

Kind Regards,

Irene Hogg MBE

POLTONHALL BOWLING PAVILION

Dear 

Bonnyrigg Rose Community Football Club are delighted to hear that Bonnyrigg After Schools Club would wish to assume control of the Poltonhall Bowling Pavilion facility and we would be in total support of BASC gaining the Asset Transfer of the facility.

It has been disappointing to see the Bowling Pavilion close however we are sure if BASC assume control of the facility they will do their utmost to attract funding to not only make proper use of it but improve the building for the benefit of the Community.

BRCFC's have experience in working with the BASC for some considerable period of time now and in particular the creation of a successful Nursery Operation in the nearby Poltonhall Pavilion we are convinced the Bowling Pavilion would be in good hands with BASC.

Should you wish to discuss this matter any further please do not hesitate to contact me.

Yours Sincerely

BONNYRIGG ROSE ATHLETIC F.C

Letter of support – Bonnyrigg After School Club (BASC)

To whom it may concern

On behalf of the club I would like to endorse the proposal of BASC taking over the running of Poltonhall Bowling club through community asset transfer as this would be of benefit to the wider community of Bonnyrigg for community space.

BASC is someone we have worked with closely over the past number of years on community issues and I have known Anne Elliot personally for over ten years with our involvement in community initiatives and BASC's track record in that time and more speaks for itself. I can't think of another organisation within the locality that would put the facilities mentioned above to better use.

I am happy to be contacted to discuss our endorsement further, either at the address above or the phone number below.

Best Regards,

Brendan Parkinson
