

Care Day 22! - Lighthouse

Care Day is an opportunity for the care experienced community to come together to celebrate as well as discuss all things care. Whether you are in care, care experienced, supporting someone who is or a corporate parent we want to see your lighthouse shining for all of those who currently are in care! Through all that they have experience we will be here as a lighthouse to guide them onto their venture or to guide them back to us for support they need.

When making your lighthouse talk or think about...

Who has been a lighthouse for you? Shown you the way or been there as a support?

Who are you a lighthouse for in life?

Done?

Display this somewhere other people can see!

Put it on social media with the #MidCareDay22

Tag Midlothian champions board.

Send in a "Mind of my own" to let your worker know you have done one and something you are proud of today

LIGHTHOUSE

1 CUT OUT SHAPE 

2 DECORATE!
Using felt-tips
Or Coloured pencils

THINK about
the lighthouse
questions!

3 STICK IT TOGETHER 

4 ADD LIGHTS!
VERY IMPORTANT

Make sure they are battery-powered!!
fairy lights or
battery tealights will work well... 

GLUE OR TAPE TO OTHER SIDE HERE
