

Transporting household waste in a van or trailer

If using a van, trailer or other large vehicle to transport waste you must dispose of it at Stobhill Recycling Centre. Please book your visit at least one hour before. Access is restricted to the following vehicles:

Panel vans

With three door access to the dedicated cargo bay, up to 3,500kg GVW, including hire vans.

Car-derived vans

A passenger car with rear seats removed to create load area and solid panels in place of rear passengers' side windows.

Microvans /minivans

With three door access to the cargo area, or campervans /caravanettes up to a GVW of 3,500kg.

Pick-ups / flat-beds

With a separate cabin and rear load area (separate cargo bed).

Trailers

Trailers of any size.
NB: Only cars towing trailers are allowed access.

Prohibited vehicles

- Caravans
- Motorhomes over 3,500kg GVW
- Minibuses
- Horse boxes or trailers primarily for transporting livestock.
- Removal vehicles.
- Vehicles over 3,500kg GVW

Book online at
www.midlothian.gov.uk/recycling-centres

* Last entry for vans, trailers and large vehicles is 30 minutes before closing time.
This allows adequate time to correctly recycle.
