

Estate Walkabout Report

September 2022

Pathhead

In attendance:

Midlothian Council: Housing Officer Nicola O'Connor

Tenant Participation Officer Hazel Thomson

This walkabout took place on Wednesday 21 September 2022. The walkabout was advertised to all tenants residing in this area of Pathhead. A flyer was sent to all households to advertise this event and details to reach us via telephone or email was supplied on this flyer so tenants could raise any issues prior to the walkabout event.

One email was received before this walkabout and feedback was given to the tenant after this event detailing the further action the council would take with the issues raised.

We met at the start of Crichton Drive and also covered Crichton Avenue and Crichton Terrace.

Crichton Drive

The street area was in a good condition on the day of the walkabout and only issue we could see is that there's greenery covering the street sign completely and this might lead to some confusion for visitors to this area of the town.

Action: Reported to Contact Centre that the road sign is covered by greenery and badly needs to be trimmed back.

Crichton Avenue

On the day of the walkabout there was five messy gardens in this street area and one was already being dealt with by the Housing Officer. The path leading into the community garden space was badly overgrown with bushes and trees.

Action: Housing Officer will do follow up action with tenants with the messy gardens and pathway and perimeter of the community garden with overgrown trees and bushes reported to Contact Centre.

Crichton Terrace

The street area was in a general tidy condition on the day of the walkabout and there was no issues needed to be raised.

Below some of the photos taken at walkabout.
