

Helping You: Waste Less & Recycle More

The calendar overleaf shows collection days for your blue bin, brown bin, grey bin, glass recycling box and food caddy. Keep this handy guide so you know when to put each out.

Place containers at the kerbside for collection i.e. at your property's boundary (beside the pavement, footpath or road) or your designated collection area by 6.30am on collection day.

Please don't put clothes, shoes, electrical items, plastic bags or food waste in your blue bin: we can't recycle them.
