

Midlothian Wind Turbine Register

1 – Midlothian Wind Turbine Register

1.1 – Overview

1.1 Midlothian Council keeps a record of proposals for wind energy developments that it has received since 2003. These are detailed in the table on the following pages. It lists formal planning applications, their address and outcome.

1.2 The entries in the table are plotted in an [online map](#) showing their location and extent. Further details of the proposals are also available via entering their application references in the Council's [Planning and Building Standards Portal](#). The map and the table in this document will be regularly updated when new applications relating to wind energy proposals are received.

Date of publication: August 2025
