ROAD SERVICES

Date of Receipt .....

Roads (Scotland) Act 1984 - Section 58

DESIGN CERTIFICATE FOR THE ERECTION OF SCAFFOLDING

I hereby certify that in support of my application for permission to erect scaffolding on, or projecting over, the highway at

.....  
.....  
.....

for the purpose of

.....  
.....

the scaffolding has been designed in accordance with the recommendations of British Standard Code of Practice, BS5973:1981. Type of Scaffolding or load rating (see Section 2, Table 1) eg Light Duty, General Purpose, Heavy Duty, etc.

.....

Class of protection fan (see Clause 25.1) Class A, B, C or D

.....

I also certify that the scaffolding will be adequately supported on firm ground of the required bearing capacity, or otherwise adequately supported. (Give details if Scaffolding suspended, or cantilevered from buildings or over cellars, stairs, roofs or deck structures etc).

IMPORTANT

Before putting the scaffolding into use, a Certificate of Completion of Erection (Form B3) will be signed and returned to Road Services as notification that the road occupation is ready for inspection by the Road Services Manager.
