

## Request for inspection of road or footpath

### Road(s) and/or Footpath(s) are substantially constructed and ready for inspection

I give notice that the road(s) and /or footpath(s) listed in the schedule are substantially constructed.

I request that they be formally inspected and that I be informed of any necessary remedial work. I understand necessary remedial works should be completed to Midlothian Council's satisfaction within 6 weeks of the date of this notification.

I understand a road will **not** be adopted unless Form CC6 is completed at least a month before the end of the 12-month maintenance period - *"Application by a developer for the addition of Road(s) and/or Footpath(s) to Midlothian Council's list of Public Roads"*.

I enclose:

- ☐ Stage 3 Road Safety Audit
- ☐ Maintenance methodology for any SUDS materials or infrastructure to be adopted (if necessary) this should include a plan identifying who is responsible for each asset whether adopted or private and how it is maintained.
- ☐ CCTV surveys of gullies, tails and chambers
